Dear Co-laborers,

As many of you already know, our dear brother and friend, Dr. Orman Norwood, went home to be with the Savior he loved on February 19. He faithfully and joyfully served the Lord with IBJM for over 40 years as the General Director and President. His love for Israel and God's chosen people, together with his many extraordinary gifts and talents, qualified him as both an effective and much-loved leader. We will miss him and his melodious voice, as well as the seemingly endless flow of knowledge and quaint stories he shared daily. We loved him dearly. Pray for his dear wife, Betty, his three children, and many grandchildren.

As we approach a very busy season of ministry, please keep all of us here at IBJM in your prayers. We will be in Toronto in a few weeks to continue building on the foundation of Jewish missions there. The team will be teaching a Jewish Evangelism Seminar in a great local church there and then will be leading street evangelism among the nearly 200,000 Jewish people in the Greater Toronto Area.

The outreach includes door-to-door witnessing and the distribution of Hebrew/English Bibles. This is the city where Lillian Gartenhaus was born and trusted Christ as Messiah. She and Dr. Gartenhaus always had a burden for this city. So it is exciting to now have multiple local churches there that are partnering with IBJM for training and outreach, along with two missionary families who believe God is calling them to Toronto. Please pray.

We are praising the Lord for the unprecedented number of churches calling IBJM to schedule meetings and training in Jewish evangelism. It is encouraging to see this in the USA. In recent years, we have seen this fervor in other countries, but now it appears that the Lord is answering prayer and stirring churches much more in the USA in seeking to win Jews to their Messiah.

Finally, pray for the upcoming Holocaust Seminar, the New York City outreach, the Mexico City outreach, and of course, the Four-Day Focus on Jewish Missions. I will say much more about these in my next letter.

Thank you for your prayers and commitment to this ministry. I truly believe that these are the greatest days for reaching God's chosen people with the gospel of Messiah, more than ever before in church history. May the Lord richly bless you!

In Messiah,

Ed Frampton and Family
