

The Knipes in South Africa

Bill, Susan, Jonathan, Anna, Joel, Matthew

War in South Africa

Local sister churches and the Bob Jones University team helped us in a Cola Wars youth outreach in Ravensmead last month. Five thousand invitations were given out, and over one hundred teens attended. The teens played games, ate snacks, and heard preaching of the Gospel message both nights. Thank you for praying for this event and for continuing to pray that we will be able to follow up with the contacts for our new church plant.

Praises and Prayer Requests

- The ladies' retreat with Mrs. Jan Patterson, though cold and rainy, was edifying through the fellowship times and the sessions as the 130 ladies studied the fruit of the Spirit.
- Pray we will receive approval to meet in the school classroom for Sunday services. We were not able to start meeting in June because we are still waiting for the school board to give permission.
- Pray for the spiritual growth of Dwight and Mornay as they help in the Ravensmead ministry.
- Pray as Bill's sister comes to South Africa to be tested as a possible kidney donor.

A New Team Member

Holly Gilbert, a longtime family friend, sold her home and car in Greenville, South Carolina, and left a successful job with a financial consultant to come and help the missionary team in our church-planting efforts. She has considerable ministry experience in event planning and will be an asset to the team in discipling

and in planning retreats and conferences. Please pray for her as she adjusts to the culture and helps in the Ravensmead and Delft church plants.

Unusual Opportunity

Pastor Kevin, who pastors Immanuel Baptist Church in Eersterivier, asked me to help him oversee a community function at his church. The neighborhood watch asked for permission to use the church building as a venue for giving donations of free food and blankets to families in the community. To our surprise, the neighborhood watch took the tracts out of our hands and insisted that they help us distribute them to the three hundred people in attendance. Not only did the people receive the Gospel, but also it introduced them to the church.
