To You with Thanksgiving,

Yes, we are grateful indeed for your prayers and support. This has been a busy time. Thank God for His strength to keep us going.

I've ask Brother Mike West to lead a team to Seattle to help a new church. This will be Jan. 5-12, 2018. Also, Brother Bob Houghton will lead a group to Pacific Baptist Church in Long Beach, California, the week after Christmas. The dates are not yet confirmed.

I preached in three churches recently. At Grace Baptist Church in Landrum, South Carolina, two responded to the invitation. A boy about 12 years old came for salvation. His sister also responded to gain assurance of salvation. Pastor Nick Vance is a fine pastor and he will follow up on these.

Joan and I recently had two missionaries and one pastor in our home to pray together and give encouragement. This is a privilege and we are blessed too. It is common for pastors to call for advice and prayer.

A church gave 30 light fixtures—4 ft./4 tube. These are available to any church needing them. They are complete and even have the tubes. Tell me if you can use them.

A church group in Shanks, West Virginia, is looking for a pastor. They are currently meet in homes. If you know of someone interested, please call me. I'll give you the contact information.

In the bonds of Calvary,

B. Clayton Shumpert
